LOT 1474

This Pro-Touring 'Cuda, exquisitely finished in mile-deep House of Kolor Cobalt Purple with Black Rally Stripes, is the perfect mix of Classic Muscle-Car Attitude and First-Class Modern Performance that features an awesome combination of No-Nonsense Looks and Vicious Street Manners. Professionally Built, from its Updated Suspension and Pro Built 440ci Magnum V8 to its Custom Interior and Boyd Coddington Wheels, this classic Mopar is fast and appealing. Under the car's Hood is a Pro-Built Magnum 440 Engine. A HEMI Shaker Hood funnels air into a giant Demon 4-Barrel Carburetor and through an Edelbrock Victor 440 intake. Edelbrock Performer RPM Heads, Hand-Polished Mopar Performance Valve Covers, Long-Tube Headers, MSD Pro-Billet Distributor, Billet Specialties Tru Trac System, High-Performance Water Pump, Chrome Alternator and Chrome Air Conditioning Compressor, a Ron Davis Custom Radiator, Two 13" Electric Puller Fans, Polished Power Steering Tank, New Master Cylinder, Custom-Bent Transmission Lines. This Pro-Touring boasts an "All-Business" mindset for a well-rounded, show worthy muscle car and is a multiple show winner.
