'cuda *Venom*

This One-Of-One 1970 Plymouth 'Cuda "Venom" is a Custom Build and was assembled with ultimate care, taking 2,700 Documented Man-Hours of Labor to Complete. The "Venom" Designation has been used to distinguish the Viper V10 Engine Installation. A Factory 488ci Viper V10 producing over 500hp is mated to a Tremec T-56 6-Speed Transmission. Over \$250,000 was spent on this Highest Quality, Nut-and-Bolt Build. Invoices are included with the Vehicle's Documentation, outlining all Customization, Warranties, Parts and all other relevant items. Featured in Axalta's Yearly Calendar, this Plymouth 'Cuda "Venom" also was displayed at the Auto Show in Toronto, Ontario (Photos Included).
